EDUCATION

- **Veer Narmad South Gujarat University** 2022-2025
BBA in Finance
- **Ryan International School** 2021-2022
Class XIIth , CBSE Board
- **Ryan International School** 2016-2021
Class Xth , CBSE Board

SUMMARY

BBA graduate with hands-on training in data analytics, including proficiency in SQL, Excel, Python, and Power BI. Skilled in data cleaning, visualization, and deriving actionable insights to support business decision-making. Completed a 2-month internship at Unimable Modutech Pvt. Ltd., applying analytical techniques to real-world datasets. Strong communication, teamwork, and problem-solving skills with a passion for leveraging data to drive results. Eager to contribute to a dynamic organization as a data analyst.

PROFESSIONAL EXPERIENCE

- Unimable Modutech Pvt. Ltd., Icchapore (Summer Internship)** May 2024 – July 2024
- Assited in Data Collection Analysis to support inventory and production planning at Unimable Modutech Pvt. Ltd.
 - Gained hands-on experience in a corporate environment, improved communication, teamwork, and time management skills.

PROJECTS

- SQL Project** March. 2025 – April. 2025
- Designed and executed advanced SQL queries including joins, aggregations, views, procedures, and triggers to manage employee and department data.
 - Implemented data integrity features such as triggers for salary updates and developed stored procedures for role-specific data access.
- Data Analysis Of Chocolate Sales** Feb. 2025 – March. 2025
- Analyzed chocolate sales data to identify top-performing products, seasonal sales trends, and regional customer preferences, enabling data-backed business descisions.
 - Performed data transformation and cleaning using Power Query and developed DAX measures to calculate total sales, growth rates, and product-wise revenue contributions.
- Social Media Engagement** Dec. 2024 – Jan. 2025
- Studied how people interact with posts on different social media platforms, finding patterns in likes, comments, and shares.
 - Found that posts made in the afternoon and those with mixed emotions got the most attention from viewers.
